GRAVEL WORLD HAITI : JULY 2ND-JULY 7TH, 2020

DAY ONE JULY 2ND: ARRIVAL CAP-HAITIEN

You will arrive to Cap Haitien airport where a Gravel rep will be waiting to welcome you at the baggage claim area. Cap-Haitien was historically nicknamed the Paris of the Antilles, because of its wealth and sophistication, expressed through its architecture and artistic life. After checking in at our beautiful hotel we are heading to a city tour and to visit rum distillery. That night, we will kickoff our trip with the All White Party.

DAY TWO JULY 3RD: SANS SOUCI & CITADELLE

This morning we will head to Haiti's historical wonder. Henri Christophe's enormous palace known as Sans-Souci is known as the Palace of Versailles of the Caribbean. One can just imagine its magnificent beauty when the palace and its gardens were completed in 1813. Once done with touring Sans-Souci, we will head to Citadelle Laferrière which is another world heritage site. After Haiti's successful slave rebellion, Henri Christophe feared that the French would regroup and one day return to invade Haiti. This fortress prevented any foreign force from taking over Haiti. After its completion, Citadelle Laferrière became the largest fortress in the entire western hemisphere and the source of pride and joy for the state created by the former slaves.

DAY THREE JULY 4TH: HEADING TO THE RESORT AND WATERFALLS

Day three we are heading to our resort. We are leaving the vibrant city of Cap-Haitien for the serene setting of our all-inclusive beach resort. On our way there, we will stop at the magnificent waterfall to cool off. After checking in and some relaxation, we will get together and start partying.

DAY FOUR JULY 5TH: SERVICE DAY & CATAMARAN

On Day 4, we are starting with the service at a local orphanage. Then, we are getting on a catamaran for some fun sailing, enjoying the music and partying. Hopefully, we will still have some energy for the night fun at the resort.

GRAVEL WORLD HAITI : JULY 2ND-JULY 7TH, 2020

DAY FIVE JULY SIX : RELAXATION AND BEACH FUN

Day Five, we will indulge in beach fun, water sports, experiencing Haitian cuisine and beverages, relaxing, and enjoying each moment. We can be as active and adventures or as relaxed as we choose to be during this day.

DAY SIX JULY 7TH: TIME TO GO HOME

Day Six, we will leave our resort and head to the airport. We are certain you will make some amazing memories and come again.
